YOU ARE COVERED UNDER THE TERMS OF THIS LIMITED WARRANTY IF:

- Your tires bear Department of Transportation prescribed tire identification numbers and are not branded "NA" (Not Adjustable), or "Blem" (Blemish) and
- Your FORTUNE brand Passenger Car, Light Truck, or ST-01 ST Radial Tires have been used only on the vehicle on which they were originally installed according to the vehicle or tire manufacturer's recommendations and

WHAT IS COVERED AND FOR HOW LONG?

NO-CHARGE REPLACEMENT

FORTUNE tires covered by this warranty that become unserviceable due to Road Hazard, or a defect in workmanship or material during the first 2/32nds of usable tread depth will be replaced with a comparable new FORTUNE tire without charge. If you are entitled to receive a no-charge warranty replacement tire, the mounting & balancing of that tire will also be provided at no charge. The cost of any other service charges, disposal fees or applicable taxes are payable by you.

PRO-RATED REPLACEMENT

Tires worn beyond the first 2/32nds of usable tread that become unserviceable due to a defect in workmanship or material will be replaced on a prorated basis. The cost of mounting and balancing and other service charges, disposal fees or applicable taxes are payable by you.

HOW PRORATED CHARGES ARE CALCULATED

The replacement price will be calculated by multiplying the dealer's current FORTUNE replacement tire price by the percent of tread worn out from the original tread. The cost of mounting, balancing, and other service charges, disposal fees, or applicable taxes are payable by you.

WHAT IS A COMPARABLE TIRE?

A "comparable" new FORTUNE tire may either be the same line of tire or, if the tire is not available, a tire of the same basic construction and quality with a different sidewall or tread design. If a higher-priced tire is accepted as replacement, the difference in price will be at an additional charge to you. Any replacement tire provided pursuant to this warranty will be covered by the FORTUNE passenger car and light truck warranty in effect at the time of replacement.
